

The Value of Storage for the Energy Transition

Thursday 7 December 2017

Ateliers des Tanneurs (Rue des Tanneurs, 58-62 - 1000 BRUSSELS)

FINAL PROGRAMME

8.30-9.00 Registration

9.00 Welcome & Opening

9.00-9.10 Welcome & Introduction

Kristian RUBY ([read more](#))
Secretary General of EURELECTRIC

9.10-9.30 **Keynote Address (followed by Q&A)**
Energy Storage in the EU Energy Policy

Tudor CONSTANTINESCU ([read more](#))
Principal Advisor to the Director General DG Energy
European Commission

9.30 Session I: The Potential of Storage for the Power, Transport and Battery Industries

Panellists will discuss the potential game-changing role energy storage can play for Europe's energy transition.

Chair: Darius SNIECKUS, Editor in Chief, Recharge News ([read more](#))

Keynote Presentations: What do the analysts think?

9.30-9.50

Michael LIEBREICH ([read more](#))
Chairman of the Advisory Board, Bloomberg New Energy Finance

9.50-10.10

Anissa DEHAMNA ([read more](#))
Head of Navigant Research's Energy Storage Market Research

10.10-10.30

Q&A

10.30-11.30 **PANEL DEBATE: What does industry say?**
introduced by eVoting

David POST ([read more](#))
Head of Business Development for the Global
Thermal Generation, Enel

Marie STRANNEGÅRD ([read more](#))
Head of Recycling
Northvolt

Julio CASTRO ([read more](#))
Co-chair of EURELECTRIC DSO Committee
Executive Vice President Regulation - IBERDROLA

Henrik STIESDAL ([read more](#))
DTU WIND ENERGY - Department of Wind Energy
Former CTO Siemens Wind Power

Heli ANTILA ([read more](#))
Chief Technology Officer, Fortum Oyj

11.30-12.00 Coffee Break

12.00 Session II: Technology Battles - Providing Full-Scale Solutions for Europe

12.00-13.00 *Power companies and manufacturers will present in three parallel "Technology Battles" the latest state of the art storage technology solutions and report on innovation developments. They will battle it out to convince the audience that they have what it takes to provide solutions to the energy transition system challenges.*

Panellists will present how their technology is capable of integrating variable renewables, how it offers a solution to the ever increasing system flexibility needs and how they can convince the customer?

Hydropower, batteries, compressed air energy storage, hydrogen, advanced nanotechnology, etc. What are you betting on?

#itselectric

12.00-13.00 **TECHNOLOGY BATTLE A (room Gamay)**

Chair: Henning HÄDER, Manager Energy Policy, Climate & Sustainability, EURELECTRIC ([read more](#))

Emmanouil KAKARAS ([read more](#))

VP, Head of New Products & Innovation,
Mitsubishi Hitachi Power Systems Europe

Ulrik GRAPE ([read more](#))

CEO
NAWA Technologies

Agnar AAS ([read more](#))

Managing Director
Statkraft

12.00-13.00 **TECHNOLOGY BATTLE B (room Merlot)**

Chair: Koen NOYENS, Director, Communication & Corporate Affairs, EURELECTRIC ([read more](#))

Herfried HARREITER ([read more](#))

Head of Maintenance & Asset Management
VERBUND Hydro Power

Adrian TIMBUS ([read more](#))

Head of Technology & Solutions
Smart Grids and Renewables / PG
Market Innovation, ABB

Emmanuel BENEFICE ([read more](#))

CEO
ZnR Batteries.

12.00-13.00 **TECHNOLOGY BATTLE C (room Syrah)**

Chair: Martijn HUIBERS, Business Leader Energy Storage, New Energy Technologies, DNV GL – Energy ([read more](#))

Hans-Alexander ÖST ([read more](#))

Manager, Business Development, Energy
Storage and Integration Wärtsilä Energy
Solutions

Denis THOMAS ([read more](#))

EU Regulatory Affairs Renewable
Hydrogen, HYDROGENICS

Peter STETTNER ([read more](#))

Market Management & Strategy
ANDRITZ HYDRO GmbH

13.00 **Lunch Break**

14.15 **Session III: Storage: the Regulatory Wish List**

Panellists will discuss key policy enablers at European and national level, and the broader business boundary conditions

Chair: Kristian RUBY, Secretary General of EURELECTRIC ([read more](#))

14.15-15.15 **PANEL DEBATE**

Peter STYLES ([read more](#))

Chairman of the Electricity Committee
EFET

Antonio José COUTINHO ([read more](#))

Chair of EURELECTRIC Retail Customers Committee
Member of the Board, EDP Commercial

Jorgo CHATZIMARKAKIS ([read more](#))

Secretary General
Hydrogen Europe

Eva HENNIG ([read more](#))

Chair of EUROGAS DSO Committee
Head of Department Policy Issues at Thüga

Herfried HARREITER ([read more](#))

Head of Maintenance and Asset Management
VERBUND Hydro Power

15.15-15.30 **Concluding Remarks by Darius SNIECKUS, Editor in Chief, Recharge News**
