

## Green Light for RES? Innovative Solutions to switch off the Red Light on the European Distribution Grid

**12 February 2013**

**EURELECTRIC Premises**  
**Boulevard de l'impératrice 66, 1000 BRUSSELS**

### PROGRAMME

<b>9h30</b>	<b>Registration</b>	
<b>10h00</b>	<b>Welcome and Introduction</b>	<b>Gunnar LORENZ</b> Head of Networks Unit EURELECTRIC
<b>10h05</b>	<b>Opening Remarks</b>	<b>Theodor CONNOR</b> Chairman of CIRED Technical Committee
<b>Session I: Active Distribution System as Key Tool for Integration of Distributed Generation</b>		
	<i>Chairman and Moderator</i>	<b>Marcel CAILLIAU</b> Head of Regulatory Affairs Power GDF SUEZ Energy Europe Vice-Chair of EURELECTRIC WG Wholesale Markets & Trading
<b>10h10</b>	<b>EURELECTRIC Report: Key Building Blocks of the Active Distribution System Management</b>	<b>David TREBOLLE</b> Chairman of Joint DSO Group NC System Operation Gas Natural Fenosa
<b>10h30</b>	<b>EURELECTRIC Report: Policy Recommendations for Secure &amp; Cost-Effective Grid Integration of Distributed Energy Resources</b>	<b>Per HALLBERG</b> Chairman of EURELECTRIC WG Smart Grids - Vattenfall AB
<b>10h40</b>	<b>System Services and Flexibility for Energy Efficiency</b>	<b>Paul HODSON</b> Head of Unit, Energy Efficiency, DG Energy, EC
<b>10h50</b>	<b>RES-E Network Access and Distributed Energy Resources in the Context of EU-wide Network Codes</b>	<b>Sven KAISER</b> Chair of ACER Electricity Network and Market Task Force
<b>11h00</b>	<b>Coffee &amp; Tea</b>	
<b>11h20</b>	<b>How to Incentivise Flexibility Contribution to System Operation?</b> Speakers + Additional Panellists	
	<b>Frauke THIES</b> Policy Director - EPIA	<b>Håkan FEUK</b> Chair of EURELECTRIC TF Market Design for RES Integration
<b>12h30</b>	<b>Lunch</b>	

## Session II: Country Experiences & Projects

### *Chairman and Moderator*

### **Prof. Fabrizio PILO**

Chairman of CIRED Session "Planning of Power Distribution Systems"

**14h00**    **CIRED Views on Distribution Energy Resources Integration**

### **Theodor CONNOR**

Chairman of CIRED Technical Committee

**14h15**    **Coordinated Planning in Ireland & Active Voltage Management using Wind Generation**

### **Teresa FALLON**

Manager of Smart Network  
ESB Networks

**14h30**    **The Approach of Italian DSO and Recommendations on Active Demand from the ADDRESS Project**

### **Giovanni VALTORTA**

Chairman of EURELECTRIC WG Standardisation  
Enel Distribuzione

**14h45**    **Smart EV Charging as a Part of Active Distribution System Management: G4V Project Results**

### **Ricardo PRATA**

Area Manager – Networks Planning  
EDP DISTRIBUIÇÃO, Energia S.A

**15h00**    **Coffee & Tea**

**15h15**    **How to reflect the Lessons learnt in Technical and Economic Regulation?**  
**Speakers + Additional Panellists**

### **Stine GRENA JENSEN**

Chair of EURELECTRIC WG RES  
Senior Economist Dansk Energi

### **Pierre MALLET**

Director for Innovation, ERDF  
Chairman of CIRED Session "Network Components"

### **Achim WOYTE**

R&D Department Manager – 3E'

**16h30**    **Concluding Remarks**

### **Theodor CONNOR**

Chairman of CIRED  
Technical Committee

### **Per HALLBERG**

Chairman of EURELECTRIC WG  
Smart Grids / Network of the Future

**End of Workshop**
