

# EU Electromobility Stakeholder Forum

**24 & 25 of June 2013, Palais des Académies, 1000 Bruxelles, rue Ducale 1.**

**This 2 day forum will bring two important EU projects, Green eMotion and FREVIEW together to discuss the future electromobility framework for Europe.**

Green eMotion will provide a project status update with the results achieved so far and FREVIEW will present on the project setup and goals. Would you like to know more about the Green eMotion and FREVIEW projects and its progress? Would you like to contribute to workshops on various topics concerning Green eMotion and FREVIEW? If so, you should join the European Electromobility Stakeholder Forum held in Brussels on the 24th and 25th June 2013. The full agenda is outlined below or to register for the event you can do so at the following link. <http://www.eurelectric.org/events/2013/shared-electromobility-forum/>
