

Speaking for more than 3500 utilities Eurelectric represents the full value chain of the European electricity industry in Brussels and beyond. Our priorities revolve around the full **decarbonisation** of our industry, the deployment of **electric solutions** to decarbonise other parts of the economy and the need to ensure a **fair energy transition**.

Eurelectric is looking at its Brussels' office for a:

Communications Officer

To join the strategic Communications team in the Eurelectric Secretariat

Job description

As Communications Officer you will:

- Support the team in growing Eurelectric's digital channels: create content for social media and the web, help identify and build contact with top energy influencers.
- Help with the writing of news pieces for the web and support the press adviser with press activities.
- Ensure a proper quality check for policy papers: English editing and proofreading.
- Support in the write up and editing of Eurelectric's newsletters: search for content, produce pieces, organise interviews, proofread content from policy advisors...
- Provide support on the strategic planning of policy and communications actions.

Requirements and competencies

- Excellent written communication skills
- Full literacy in social media, web content & design.
- Team player with a creative personality, eager to learn and communicate on the essential role that electricity will play for Europe's deep decarbonisation.
- Native English or equivalent.

The post is available from October 2021 for a period of 6 months. Please submit your application **by 08 October**, including a CV and motivation letter to grondinelli@eurelectric.org.
