

Senior Advisor: 24/7 Carbon Free Energy (CFE)

Full-time 2-year contract (initially)

Location: Brussels, Belgium

Eurelectric is the sector association which represents the common interests of the electricity industry at pan-European level. Eurelectric has recently established the European 24/7 Carbon Free Energy (CFE) Hub which maps, coordinates and aligns initiatives in this area. More info: <https://247.eurelectric.org/>

The European 24/7 Hub comprises corporate buyers, energy suppliers, associations, tech start-ups, and traders. The end goal is to drive the adoption of 24/7 CFE for a growing number of energy buyers that want to trace their consumption to clean energy production on a certifiably local granular basis.

As project lead, you will, in collaboration with Eurelectric secretariat and partners:

1. Set the annual work programme and agendas for Hub meetings, public events etc.
2. Input to strategic planning and implementation of the Hub
3. Regularly research, follow and communicate on 24/7 CFE developments
4. Review, advise and respond to technical, policy and business issues
5. Represent the 24/7 Hub at external meetings and events
6. Draft, and closely align, policy positions with partners, members and key stakeholders
7. Proactively set up and attend meetings with relevant European policymakers

Profile

- Qualifications (Master's degree) in energy, economics, engineering or related topics
- At least **8 years** of experience in energy markets, PPA contracts, Guarantees of Origin
- Knowledge and experience in 24/7 is an advantage
- Team player with a creative personality, strong interpersonal and presentation skills, eager to learn and communicate on the essential role that 24/7 CFE can play in Europe's deep decarbonisation
- Native English or equivalent
